

# PROARGI-9+

## MIXED BERRY

A patented product with the power of L-arginine, L-citrulline, and more.

Item No. 21802

30 single-serve packets

Synergy's top-selling product is the cornerstone of any nutritional regimen. ProArgi-9+ was formulated in collaboration with leading L-arginine researchers and cardiovascular specialists. These experts have conducted pioneering research on the proper application of L-arginine in promoting cardiovascular health. Each serving of ProArgi-9+ contains 5,000 mg of pure, free form pharmaceutical grade L-arginine, which has been validated as a therapeutic agent by thousands of clinical studies.

ProArgi-9+ has been proven to rapidly and significantly increase the nitric oxide levels in the body. Nitric oxide supports healthy circulatory and cardiovascular function.

Studies show that L-arginine aids in maintaining healthy blood pressure levels, helps improve immune function, and stimulates the release of human growth hormone (HGH).\* It may also boost energy levels, helps build muscle, and reduce adipose tissue body fat.\*

ProArgi-9+ is a unique product with far-reaching benefits that will help you unlock your potential and achieve Elite Health.

### BENEFITS

- Supports overall cardiovascular health\*
- Enhances blood flow to vital organs\*
- Combats the negative effects of premature cardiovascular aging\*
- May aid in decreasing body fat and building muscle mass\*
- Helps maintain healthy blood pressure levels\*
- Inhibits myeloperoxidase, an enzyme that is known to oxidize LDL cholesterol\*

### KEY INGREDIENTS

- L-arginine
- L-citrulline
- Folic acid
- Vitamins: C, D3, K, B6, B12

### RECOMMENDED USE

Mix 1 serving (1 scoop providing 5 g pure, free form L-arginine) with 4-8 oz. water (depending on individual taste). Stir to dissolve. If water is very cold, mixture will take about one minute to dissolve. One serving (1 scoop) may be taken twice per day. Drink 4 servings per day for a one-week Purify program or 2 servings per day for a one-month maintenance program.

## WHY PURIFY?

The microbiome suffers due to toxic environments, nutrient-stripped foods, and a stressful, sedentary lifestyle. This suffering results in an unhealthy balance of good and bad bacteria, which ultimately impacts other systems in the body.

## PURIFY KIT

ProArgi-9+ is one of five products in the Purify Kit, which includes a one-week supply of clinically formulated nutrition for the microbiome. Use the kit's carefully engineered supplements and adhere to the dietary guidelines to support your microbiome and begin your journey to Elite Health.

## ABOUT SYNERGY ELITE HEALTH PRODUCTS

Elite Health is the pinnacle of wellness, where age does not dictate ability. Scientifically, Elite Health is optimal metabolic function, the state in which all body systems are performing efficiently, which gives you the energy to see more, do more, and be more, no matter what stage of life you're in.

**ELITEHEALTH**  
 UNLOCK YOUR POTENTIAL

Recent scientific discoveries have uncovered a fascinating inner-ecosystem within each of us called the microbiome. This complex network of bacteria, fungi, and microflora resides primarily in the gut and impacts the health of other systems in the human body. Synergy WorldWide has carefully engineered proprietary solutions: Purify, Fortify, and Protect. Each solution begins with the microbiome.
