

trulūm

## HYDRATING TONER

Hydrating Toner purifies and prepares the skin to efficiently absorb all products in the Trulūm regimen. This product helps the skin regulate moisture levels, minimize sensitivity and balance pH. This unique formulation also improves skin.

### BENEFITS

- Increased moisture
- Non-astringent and gentle maintaining a healthy skin biome
- pH-balancing for lipid health

### DIFFERENTIATORS

Hydrating Toner not only helps the skin achieve an ideal pH balance, it also provides prolonged moisturization, decreases sensitivity, and stabilizes the skin with oat extracts.

### RECOMMENDED USE

Apply gently over neck and face with a cotton pad or spray pump. Let dry. Use morning and evening.

Hydrating Toner is the second product in Step 1 of the Trulūm PURIFY, FORTIFY, PROTECT product regimen. To complete the Purify step, begin with Cleansing Gel, then apply Hydrating Toner, followed by Brightening Serum.

### ABOUT TRULŪM

In youth, healthy radiance illuminates the skin from within. Unfortunately, the ravages of time and harsh environmental factors can dull the skin, hiding its natural brilliance from the world. It's time to rediscover your light with Trulūm!

Your skin is compromised by pollution, radiation, and other external irritants, which leads to weakened

skin structure and diminished skin quality. Trulūm is powered by Intrinsic Youth Technology, which works to PURIFY, FORTIFY and PROTECT your skin, promoting a more luminous, healthy appearance. Exclusive combinations of plant, fruit, oat, seed, and yeast extracts penetrate the skin three layers deep to support elasticity and a radiant glow.

Achieve true luminance with Trulūm!

### KEY INGREDIENTS

- Beet root increases moisturization
- Watermelon, lentil and apple extracts provide amino acids, Vitamin B5, and polysaccharides to support skin health and moisture balance
- Oat extracts high in avenathramides, which help to improve skin condition
