

trulūm

HYDRATING TONER

Hydrating Toner purifies and prepares the skin to efficiently absorb the rich, natural ingredients and powerful extracts of the other products in the Trulūm skin care regimen. Helping to regulate moisture levels, minimize sensitivity, and balance the skin's pH levels, this unique formulation also supports the natural processes of the skin to provide a healthier look and feel.

BENEFITS

- Increased moisture
- Non-astringent and gentle maintaining a healthy skin biome
- pH-balancing for lipid health
- Stabilizes the skin by inducing skin's natural responses

RECOMMENDED USE

Apply gently over neck and face with a cotton pad or spray pump. Let dry. Use morning and evening.

Hydrating Toner is the second product in Step 1 of the Trulūm PURIFY, FORTIFY, PROTECT product regimen. To complete the Purify step, begin with Cleansing Gel, then apply Hydrating Toner, followed by Brightening Serum.

ABOUT TRULŪM

In youth, healthy radiance illuminates the skin from within. Unfortunately, the ravages of time and harsh environmental factors can dull the skin, hiding its natural brilliance from the world. It's time to rediscover your light with Trulūm!

Your skin is compromised by pollution, radiation, and other external irritants, which leads to weakened

KEY INGREDIENTS

- Beet root increases moisturization
- Watermelon, lentil and apple extracts provide amino acids, Vitamin B5, and polysaccharides to support skin health and moisture balance
