

# Open House

Invite your guests and join Synergy WorldWide for an exciting Open House on Friday, March 22.

What makes Synergy different from all other companies in the industry? It's called the Synergy Advantage.

Attend this March Open House and learn all about Synergy's Product Advantage as it maintains the strictest manufacturing standards in the industry. You will receive product training from Dan Austin of the Synergy Medical and Scientific Advisory Board. You'll also hear from Synergy's executive team and experienced Team Member leaders who are experiencing tremendous success sharing this opportunity.

## Manufacturing Facility Tour

The Open House kicks off at 1pm at Synergy's Manufacturing Facility in Spanish Fork, UT. Here you will see firsthand Synergy's commitment to quality as you go through the manufacturing process of its products. You are responsible for transportation to and from Synergy's manufacturing facility.

## The Synergy Opportunity

Following the tour, attendees will return to Synergy's corporate office to learn all about Synergy's company and opportunity advantage. Leaving this portion of the Open House you will understand how you can build residual income while helping others improve their health.

Synergy's compensation plan is one of the most generous and lucrative that you'll find and Synergy is committed to help you leave a legacy by helping today's generation and generations to come.
