

Open House

Invite your guests and join Synergy WorldWide for an exciting Open House on Friday, June 21.

What makes Synergy different from all other companies in the industry? It's called the Synergy Advantage.

Attend the Synergy WorldWide Open House and learn all about our Product Advantage as it maintains the strictest manufacturing standards in the industry. You will receive product training from Dr. Stacey Bell, expert of diet and nutrition, and formulator of the new SLMsmart weight-management system. You'll also hear from other experts discussing the quality and benefits of ProArgi-9+, Synergy's flagship product. Also, join Synergy's executive team and experienced Team Member leaders who share the story behind their tremendous success.

Manufacturing Facility Tour

The Open House kicks off at 1pm at Synergy's Manufacturing Facility in Spanish Fork, UT. Here you will see firsthand Synergy's commitment to quality as you go through the manufacturing process of its products. You are responsible for transportation to and from Synergy's manufacturing facility.

The Synergy Opportunity

Following the tour, attendees will return to Synergy's corporate office to learn all about Synergy's company and opportunity advantage. Leaving this portion of the Open House you will understand how you can build residual income while helping others improve their health.

Synergy's compensation plan is one of the most generous and lucrative that you'll find. Synergy is committed to help you leave a legacy by helping today's generation and generations to come.
