

Open House

Invite your guests and join Synergy for an exciting Open House on Friday, November 15.

What makes Synergy different from all other companies in the industry? It's called the Synergy Advantage.

Attend the Synergy WorldWide Open House and learn all about Synergy products, science, ingredients and quality with **Lamar Wiscombe**, Director of Product Strategy and Programs. Learn how Synergy products set themselves apart from the rest. You'll also hear from members of the Synergy Executive Team, as well as experienced Team Member leaders, as they share how Synergy helps people reach new levels of success and wellness.

Manufacturing Facility Tour

The Open House kicks off at 1pm at Synergy's Manufacturing Facility in Spanish Fork, UT. Here you will see firsthand Synergy's commitment to quality as you go through the manufacturing process of its products. You are responsible for transportation to and from Synergy's manufacturing facility.

The Synergy Opportunity

Following the tour, attendees will return to Synergy's corporate office to learn all about Synergy's company and opportunity advantage. Leaving this portion of the Open House you will understand how you can build residual income while helping others improve their health.

Synergy's compensation plan is one of the most generous and lucrative that you'll find. Synergy is committed to help you leave a legacy by helping today's generation and generations to come.
