From free product packs, iPads, and extra cash – the 2012 Enhanced Title Plus Bonus will handsomely reward you as you build your Synergy business.

STAR – GOLD

New Team Members who are Autoship qualified and earn Star, Bronze, Silver or Gold for the first time and maintain it for a second month during the qualification period, will earn the following Title Plus Bonus rewards.

Star	Product Pack valued at \$75*
Bronze	Registration & Hotel (2-nights) to a Synergy Gold Camp & Open House*
Silver	Synergy branded Apple iPad*
Gold	2013 Leadership Academy in Park City, Utah (includes hotel, food, and activities for two – 4 days, 3 nights)*

*Team Members must achieve this title and maintain it for a second month (does not need to be consecutive) during the promotion period to qualify for the designated reward.

TEAM LEADER – TEAM DIRECTOR

The Title Plus Bonus allows Team Members who achieve these titles for the first time to earn thousands of dollars in extra cash outside of Synergy’s traditional compensation plan payout! Let’s explain how this works.

TITLE BONUS

The Title Plus Bonus breaks down to two bonuses, the Title Bonus and Plus Bonus. Through the Title Bonus, Team Members are able to earn a total of \$14,500. Starting with Team Leader through Team Director, by earning these titles for the first time and maintaining them for consecutive months you earn the following bonus amounts:

Title	Month 1	Month 2	Month 3	Month 4
Team Leader	\$500	\$500	\$1000 (500 + 500*)	
Team Manager	\$1000	\$1000	\$1000	\$2000 (\$1000 + \$1000*)
Team Director	\$1500	\$1500	\$1500	\$3000 (\$1500 + \$1500*)

* If you earn Team Leader for three consecutive months, or Team Manager/Team Director for four consecutive months, you will receive a matching Title Bonus for that final month.

** Must be autoship qualified during the promotion to earn a Title Plus bonus.

SYNERGY TitlePlus⁺

PLUS BONUS

Through the Plus Bonus you have the potential of earning an additional 50% of any Title Bonus by simply helping two Autoship qualified, personally sponsored Team Members (one on each leg) earn a title within two titles below your Title Bonus paid as title.

It really is simple. Let's illustrate how Title Plus works with an example:

Example 1: In September you rank advance to Team Leader. Congratulations, you qualify to earn your first \$500 Title Bonus. Also, in September you have one personally sponsored Silver on your left leg and one personally sponsored Silver on your right leg (Silver is within two titles below Team Leader). You qualify for a \$250 Plus Bonus. This equals \$750 in total Title and Plus bonuses in September!

Example 2: In November you rank advance to Team Manager. You also have one personally sponsored Gold on your left leg and one personally sponsored Gold on your right leg (Gold is within two titles below Team Manager). Congratulations, you qualify for a Title Bonus of \$1000 and a Plus Bonus of \$500. This equals \$1500 in total Title and Plus bonuses in November.
